Reg No. 2024 / 287563 / 07

*"Serving the wildfire community with care, respect and pride"*

### Wildfire Awareness and Training for Residential Estates

The recently established *Enviro Wildfire Consultancy Pty Ltd* is providing a newly developed Wildfire Awareness & Training Programme specific for residents, management and security staff of residential Estates across the Western Cape.

#### Programme:

- Realistic threats to residential Estates
- Liability for own loss, 3<sup>rd</sup> Party loss and fire suppression costs
- Fire, medical and security issues
- Dangers associated with fires in Estates
- Suitable basic protective clothing
- Communications
- How the Estate fits into the ICS
- The Fire Danger Index and planning management activities
- Existing and suggested firefighting equipment
- Practical session on the use of fire hydrants and hose equipment
  
- 09h30 – 12h30: R 3 000.00 for FPA members, plus mileage (no mileage charge within 50 km of Cape Town).
- Maximum of 20 participants per course.
- Attendance certificates are issued.
- The programme fee includes the assessment of existing Fire Management Plans.
- Reduced rates offered for Estates requiring a Fire Management Plan.
